

Scene 5

Mary Clarence's room.

Deloris is asleep on her cot.

Deloris, looking forward, rolls over and sees all of the nuns looking at her. She screams.

DELORIS

Is it time to pray again? What are we praying for this time?

MARY PATRICK

Oh Mary Clarence. We're so anxious about performing for the pope.

NUN 6

I'm in a state.

MARY ROBERT

I can hardly breathe!

MARY THERESA

I can't sleep!

MARY PATRICK

Everyone is so excited for us. Mr. Mohammed who drives the bakery truck says that he was praying to Allah that the pope would come see us perform. And now that the pope is coming, he said "See? Allah answered my prayer!" I tell ya – when people bring up religion, you gotta smile and tune them out.

MARY ROBERT

The only thing left to calm our nerves is to have a blessing.

DELORIS

(crawling back into bed)

Good idea.

MARY ROBERT

Mary Clarence? Would you lead us?

DELORIS

What?

NUNS

Please.

DELORIS

Okay.
